

## The Benefits of Additional Coverage

Every Mercedes-Benz Certified Pre-Owned (MBCPO) vehicle is covered by the MBCPO Limited Warranty – which runs for 1 year and up to 100,000 total vehicle accumulated miles<sup>2</sup> – as well as any remainder of your vehicle's original 4-year/50,000-mile Mercedes-Benz New Vehicle Warranty.

After that, the Mercedes-Benz Certified Pre-Owned Extended Limited Warranty program offers affordable additional coverage for 1 year/120,000 or 2 years/135,000 total vehicle accumulated miles, helping you to get the most out of your MBCPO.

This brochure sets forth a summary of coverage. For full details, including all limitations, ask your dealer for a copy of the Mercedes-Benz Certified Pre-Owned Limited Warranty and optional warranty extensions. Coverage does not duplicate Mercedes-Benz New Vehicle Limited Warranty.

<sup>2</sup>Whichever comes first. If vehicle is still covered by the New Vehicle Warranty at the time of MBCPO purchase, the coverage continues from the vehicle's original in-service date and will apply until expiration by time duration or mileage. MBCPO Limited Warranty coverage will then apply for 12 additional months or up to 100,000 total accumulated vehicle miles, whichever comes first. If the New Vehicle Warranty has expired prior to vehicle purchase, MBCPO coverage will apply for 12 months from vehicle purchase or up to 100,000 total accumulated vehicle miles, whichever comes first.

## Engine and Drivetrain

Includes the engine, transmission, rear axle, cooling system, and fuel injection. If your MBCPO vehicle is equipped with 4-wheel drive, 4MATIC™ all-wheel drive, or any other traction and stability enhancements (ASD, ASR, ESP, ETS), these systems are covered as well.

## Audio and Navigation Systems

Covers in-dash audio and/or navigation head unit, amplifiers, speakers, factory- or dealer-installed Mercedes-Benz CD player and/or changer, navigation CD/DVD-ROM drive, satellite radio components, fiber-optic network components, and antenna systems.

## Steering/Suspension/Brakes

Covers the complete power-steering system. Comprehensive coverage of suspension components and the Adaptive Damping System or Active Body Control (if equipped). Covers all elements (excluding normal wear of discs and pads), including the Antilock Braking System.

## Electrical System

Covers various electrical systems. Includes most motors, gauges, connectors, switches, sensors, regulators, and relays.

## Climate-Control System

Coverage applies to certain items of the vehicle's manual or automatic climate-control system, including the system's air-conditioning and heating assemblies.

## Central-Locking System

Covers all the actuators, switches and linkages, remote transmitters (excluding batteries), and receivers for the remote-locking system.

## Convertible/Retractable Top Systems

The top-actuation systems and rollbar mechanisms are fully covered.

## Other Components and Further Details

Additional covered components include front and rear windshield-wiper linkages, power-seat drive cables, seat-belt assemblies, sunroof cables, window regulators and, if applicable, the pneumatic door-closing and trunk-closing assist systems.
